TITLE: Co-Administration of Interleukin-3 Mutant Polypeptides with CSFs For Multi-Lineage Hematopoietic Cell Production

10/072571
 02/08/02

INFORMATION DISCLOSURE STATEMENT
UNDER 37 CFR 1.97-1.99

Hon. Commissioner of Patents & Trademarks
 Washington, D.C. 20231

Sir:

This Information Disclosure Statement is filed pursuant to 37 CFR §1.97-1.99, as supplemented by MPEP §609. Attached is PTO Form 1449 listing documents believed to be material to the subject matter claimed in the above-identified application as of the filing date of said application.

Presentation of these documents listed on PTO Form-1449 is not an admission that any listed document is prior art under the Patent Statutes and the right is reserved to antedate any material described in the listed documents by a showing under 37CFR §1.131 or otherwise.

The following patents and publications are listed on PTO Form-1449.

Copies of the cited documents are not enclosed to avoid overburdening the Examiner with duplicative copies of the documents. The cited documents are identical to those supplies for the co-pending parent application Serial No. 08/446,871. Applicants will provide copies of the documents at the Examiner's request.

Additionally, the Examiner is requested to note that some references submitted with this statement may have publication dates less than one (1) year earlier than the earliest filing date to which this application is entitled. Inclusion of a reference in this statement is not intended to and does not constitute an admission that any such reference is prior art with respect to the invention.

Please charge the appropriate fee to Deposit Account No. 19-1025.

Respectfully submitted

S. Christopher Bauer
